

Who We are

About Us

You Can Give is a nonprofit religious organization providing spiritual and physical aid to children and their families in need around the world. Since 2018, we have helped people who are in poverty and underprivileged circumstances to help them live a healthier and happier life. We especially support and care about missionaries and their families who surrender and devote their lives so that they can focus on their ministries.

Belief

Giving is a natural response of love. We believe everyone has a heart of love and compassion. These are expressed and delivered through giving. There is no one who possesses everything. Therefore, giving and receiving are always part of our daily lives. Also, it is never possible to give only with the heart, but must also include action.

Mission

Love God & Love People.

We challenge people to give their L.I.F.E in all circumstances. Give love with your L.I.F.E.

The gift of L.I.F.E stands for

What We do

1. You Can Give, Medical

We provide free medical & dental care and medicine to those in need. We also support cleft lip and palate surgeries for children in the Philippines.

2. You Can Give, Tree

We believe that one day South and North Korea will be reunified as a single nation. We are preparing for that day by planting Sea Buckthorn Trees (Vitamin Tree) in North Korea. These trees help prevent flooding, provide fruits, and create jobs.

3. You Can Give, Education

We support missionary families who educate people in refugee camps around Asia Minor.

4. You Can Give, Food

Food is an essential element in human life. The COVID-19 pandemic has increased food insecurity especially for people who are in the mission field. Providing food is an important priority of the COVID-19 response for both missionary families and those they serve.

5. You Can Give, Media

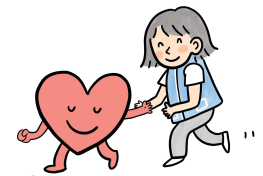

Media literacy and technical proficiency are an inevitable and important part in the future of the modern economy. We support media education programs and develop content for disadvantaged people in the mission field and local churches within the USA.

6. You Can Give, Book

We collect and send books to children in need. We help them to open their minds to a broader world with the goal of inspiring hope and imagination within them through reading, including the Bible.

7. You Can Give, Gospel

The world can stop those who preach the Gospel, but it cannot stop the Gospel. We support the 'WITH ME PROJECT' which is the ministry that spreads the Good News to the Middle East countries around Jerusalem, where the Gospel is most needed, but where the Gospel is the least.

How to Join

1. Volunteers:

We have plenty of opportunities for people of all skill levels and passions: writers, graphic designers, accountants, lawyers, translators, etc.

2. Local Influencers:

These are people who are energized by face-to-face interactions helping to introduce and promote our mission.

3. Social Media Influencers:

People who enjoy and are savvy with engaging others through social media platforms like Facebook and Instagram to help promote our mission.

4. Donors:

We are in need of both one-time and recurring donors so that we can make better and ongoing plans to support the continuation and expansion of our important mission.
